

Great Teachers Change Lives

The Sheraton Hawaii Bowl proudly supports Extra Yard for Teachers, a nationwide initiative of the College Football Playoff Foundation, by funding local teachers' classroom projects.

With the support of the College Football Playoff Foundation, the Mountain West Conference, local businesses, nonprofits, and individual donors, the Hawaii Bowl Foundation has invested over \$438,600 in the community since 2018.

Our 2026 Mission

Join the team and help us reach our \$50,000 goal — every dollar donated will be matched by the College Football Playoff Foundation. Teachers and supporters will be honored on the field during the Sheraton Hawai'i Bowl.

Share in the celebration this December, when our teachers and supporters are recognized on the field during the Sheraton Hawai'i Bowl.

Teacher Retention

Only 51% of Hawai'i public school teachers remained on the job after five years of work.

Teacher Shortages

The Hawai'i State Department of Education confirmed that shortage differentials for classroom teachers in special education, hard-to-staff locations, and Hawaiian language immersion programs will continue through SY 2026-2027.

HSTA, April 30, 2026

As of 2025, Hawaii reported 364 teacher vacancies, equating to 21 vacancies per 10,000 students. This shortage has led to increased workloads for existing educators and potentially compromised student outcomes.
